Issue 30 Dec 5, 2018

Hello parents, carers and friends of Sandy Beach Public School,

This is our second last newsletter for the year with a jam-packed fortnight ahead including end of year special assemblies, Year 6 Farewell Dinner, Grade Fun Days and the final week of Intensive Swimming for Year 2. There is lots of organisation for these events and a big thank you to all staff and volunteers that help organise these activities for students.

P & C Meeting

At the P&C AGM meeting the 2019 committee was elected. Congratulations to all those people who have put up their hand to fill these roles next year.

Amie Wallace	President
Chantelle Beszant	Vice President
Louise Peacock	Vice President
Ella Coward	Secretary
Katrina Serdiuk	Treasurer

The P&C also donated \$5,000 from 2018 fundraising events, which will go towards a new school sign, playground equipment and for technology classes. Many thanks for all your efforts in 2018 as it is wonderful to improve our school resources with assistance from community fundraising.

Excel Class

Each year, Year 6 students apply for a position in the excel class for Year 7 at Woolgoolga High School. Congratulations to Mahli-Rose Lynch, Ryder James, Beau Patterson, Benjamin Warden, Saje Gravino, Chloe Featherstone and James Pasquali who have been successful in gaining a position.

Computer Lessons

Last week I witnessed some fantastic lessons in our computer lab. Mrs Hearn has been teaching robotics, coding and lego technics. Our school has had stem share kits on loan from the Department of Education. I am sure your child may have spoken to you about some of the equipment they have used this term. Great work to Mrs Hearn for planning these exciting lessons.

Presentation Day

All parents are welcome to attend this event on Wednesday, 12th December 2018 at 10am under the COLA. Even if your child is not receiving an award, it is a great opportunity to join in our end of year celebration of success. A morning tea for parent helpers is being held after the assembly, approximately 11am in the hall. A big thank you to our volunteers who have also run scripture and ethics groups this year.

Hampers

Many thanks to community groups who have donated hampers which we have distributed to some of our families. It is certainly heart-warming to know we have the support of people to assist others in need.

Second hand school uniforms

A callout to families who may have school uniforms that are in good condition. If your child has out-grown their uniform or heading to high school, any unwanted uniforms can be donated to our second hand clothing pool at the school office. Thank you in advance.

Dental Van Visit

Over the past week a free dental van visit gave check-ups for over 40 children who were eligible for this service. It was a great opportunity for families to access dental care and I would like to thank Mrs Mikaere for coordinating this service.

Fun Day

End of Year Fun Day is on Tuesday 18 December. All students to receive notes re organisation for their Stage group.

*Year 6 have safely returned from their wonderful excursion to Sydney and Canberra. They were given an amazing experience of visiting our Nation's Capital. We would like to thank the **Federal Government** for making this possible and providing a wonderful contribution to our students and families. Their contribution significantly assisted and helped our school families.*

Ethics classes at Sandy Beach Public School

Dear Parents and Carers,

Could you be an Ethics Teacher for Sandy Beach Public School in 2019?

In ethics classes, children learn how to think logically, how to disagree respectfully and how to support their arguments with evidence.

Children discuss topics such as:

- Fairness
- Imagining how others feel
- How should we treat living things?
- What is laziness?
- How do we disagree in a respectful way?

Volunteers are needed so that ethics classes can be made available to all children whose families have requested them.

Ethics teachers facilitate discussions. A teaching background is not required. Full training is provided by Primary Ethics, the not-for-profit organisation approved to design curriculum and training for the ethics program. Training consists of short online modules and a two-day workshop. Lesson materials are provided.

An ethics teacher training workshop will be held locally in Term One 2019.

Suitable volunteers have an interest in children's education and the development of thinking skills and need to be available to teach a half hour class at Sandy Beach Public School on Wednesday mornings during school terms. A small amount of weekly preparation (printing and reading through lesson materials) is also required.

Could you volunteer to be the Ethics Coordinator for Sandy Beach Public School?

The Ethics Coordinator communicates with school staff, supports ethics teachers and liaises with Primary Ethics. This role provides a great opportunity for a working parent or anyone who might be unable to volunteer during school hours and is a rewarding way to engage with the school community. In this role volunteer times are flexible, requiring 1-2 hours per week. Online training is provided.

If you are looking for an opportunity to make a valuable contribution to our school, please visit primaryethics.com.au and/or contact John Gray, Primary Ethics Regional Manager, Coffs Harbour Bellingen Region, 04 22 333 238, email: coffsbellingen-region@primaryethics.com.au

Write4fun proudly supports Positive Living Skills who present:

How To Integrate A Mental Wellbeing Culture

Research and media reports suggest that many of our School communities are struggling.

Mental illness statistics for young people are at an all-time high, teachers are more stressed than ever, and families are feeling the strain.

The Positive Living Skills initiative is all about influencing this situation for the benefit of families, children and teachers, and they are running a free online live information event very soon suitable for **Primary School Principals, Primary School teachers, Wellbeing Coordinators, and School Counsellors**, who might be interested to learn more about the Positive Living Skills initiative, and how to lead a culture of mental wellbeing in their School community.

WELCOME TO GO4FUN

Go4FUN

HEALTHY ACTIVE HAPPY KIDS

Dear parent,
Go4Fun is a healthy lifestyle program for children aged 7 to 13 years, who are above a healthy weight. Best of all it's **absolutely FREE**.

WHEN DOES GO4FUN RUN?

Go4Fun runs for 10 weeks after school during the school term, and children attend a fun filled 2 hour session each week with their parent or carer.

WHAT DO WE DO AT GO4FUN?

Every week the children will be involved in fun and interactive games and activities to get their heart rates up and enjoying being active.

Each week you and your child will learn about healthy eating, setting goals, portion sizes, label reading and more. The program also includes a supermarket tour where you get to put everything you've learnt into practise.

START UP PACK

Your child will receive a start-up pack including a:

- Go4Fun backpack,
- Go4Fun t-shirt,
- Go4Fun water bottle, ball and wristbands.

Your child will also earn up to **3 bonus attendance rewards** over the ten Go4Fun sessions.

Parents receive a **\$20 fresh fruit and vegetable voucher for each session you attend**, plus a folder full of weekly session information, activities, recipes and more. Plus you will receive a practical Meal Mate cup to help with portion sizes and a Detective Card to help decipher nutrition information on food packaging. Parents receive a report on their child's progress and health improvements following Go4Fun.

WHAT RESULTS ARE WE LIKELY TO SEE?

Since Go4Fun began in July 2011, we have helped more than 300 children and their families across the Mid North Coast to lead fitter, healthier and happier lives. Our results show that on average, as a result of the program, Go4fun children now:

- have a reduced waist circumference
- eat more fruit and vegetables each day
- drink less soft drink
- are more active and meet the physical activity guidelines
- spend less time in sedentary activities
- have improved self-esteem

WHAT DO PAST PARTICIPANTS THINK OF GO4FUN?

"I think by far the reason Chloe did so well in Go4Fun was she was being taught from a source other than me. She was given knowledge and she began to make choices to be healthier. This is a lesson that I believe will last both of us throughout our lives. The leaders made it fun to learn about good nutrition and regular physical activity and we all enjoyed doing active games together, even the parents."

"Go4Fun will be something I will remember forever, and Chloe will too. I cannot recommend the program highly enough to any parent thinking of joining. Give it a try it could change your lives." **Sue, Port Macquarie**

"Even though we knew the nutrition and exercise information before we started, it's helped us so much.

Matilda is not only healthier but so much happier, with a boost in self-esteem and confidence. She misses Go4Fun and always looks forward to catching up with the others from her group." **Tracey, Coffs Harbour**

ENROL TODAY!

Registrations for Term 1, 2019 programs are now open with limited places available in our Port Macquarie, Camden Haven, Wauchope, South West Rocks, Kempsey and Nambucca Heads. We'd love to welcome you and your child into a Go4Fun program and encourage you to secure your place.

"WHAT TO BRING EVERYDAY"

It is going to be a ridiculously hot summer! Please wear appropriate clothing for an Australian summer and avoid singlets and strap dresses that leave shoulders exposed. Hat, sunscreen, sun/rash shirts appropriate footwear, plenty to eat and drink (a refillable water bottle), swimmers, towel, plastic bag and swim aids (if required) Phones, i-pods, tablets and digital communication devices are simply not necessary and are discouraged. Please label all clothes. Spending money is optional!

DAVES RAVES! THE SIMPLE JOYS OF CHRISTMAS - BACK TO BASICS

In the busy lead up to what has been dubbed "The Silly Season" I ask that you take the time to ask yourself the question, "What did I like playing as a kid?" Better still, take the time to ask an old person like me. The best things came in two categories OUTSIDE and INSIDE. The outside things had the pre-requisite criteria of needing a "body" (or even more fun, lots of "bodies") to use it. If it could be swung, hit, kicked, caught, flown, fired or ridden it was good for me and good fun! The inside things required two things. A "brain" (or even more fun, lots of "brains") and "time." Books, board games, puzzles, pencils, pens, paint, paper and a deck of cards. Someone to play with was one of the greatest gifts of all. This Christmas think about going back to basics with the gift of time AND.... if its got a plug or batteries...DON'T PLAY WITH IT!!
