Issue 26 Sept 26, 2018

Hello parents, carers and friends of Sandy Beach Public School,

Tonight is our final performance of 'Bats' the Years 3 to 6 musical. Many thanks to all the teachers who have been preparing their class items for this event as well as parents who have assisted with costumes or props. A particular big thank you to Mr Murgatroyd and Mrs Dawes who have co-produced the musical, with Year 6 students playing the lead roles. This was an outstanding performance with lots of humour and fabulous costumes.

NAPLAN Results

Parents of students in Years 3 and 5 received their NAPLAN results last week. Please remember that this can be valuable feedback for your child's progress in literacy and numeracy but is also one test on one day. If you have any questions regarding NAPLAN please arrange a time to meet with your child's teacher.

Year 2 Excursion

On Monday Year 2 attended an excursion related to the science unit they are currently studying, 'Water in our World'. They had a fabulous experience at the National Marine Science Centre where they learnt about the underwater world of the Solitary Islands. Unfortunately, the weather prevented a visit to Emerald Beach tidal pools. Thank you to Mrs Reedy and Mrs Patterson who organised this event, who were impressed by the interest students demonstrated and their excellent behaviour.

SAVE THE DATE FOR OUR SCHOOL FETE – Friday 19 October

A reminder that our school fete is on the first Friday of Term 4. It commences at 3.15pm. Students will receive a note in Week 1 to indicate if they will be staying at school after 3:10 to participate in this event. The P&C are also requesting volunteers to assist at various timeslots and families are requested to donate items for class stalls. A separate note was sent home yesterday and it is also included in this newsletter regarding these last matters.

Fortnight Newsletters

This term we have had fortnight newsletters. Daily alerts have been put onto Skoolbag as usual so that parents are informed about up and coming events. We would be interested to hear any feedback regarding fortnight verses weekly newsletters in regards to school communication. Please feel welcome to contact us by email or on our school Facebook page.

Friday is our last day of Term 3 and I cannot believe how much has occurred over the 10 weeks. Behind the scenes there is always a lot going on at school and this term has been particularly busy with additional administration tasks that required completion by the Department of Education such as Work Health and Safety audit, finance audit, external validation (school self-assessment and review) and preparation for photocopy audit!

In addition, staff have been focused on professional learning related to the teaching of writing, our new position of Wellbeing Coordinator held by Belinda Musgrave has completed her first term with great results and all teachers have been completing engaging learning programs for their classes.

A final reminder that we need all Kindergarten enrolments for 2019 by the end of week 1 next term. Our first kindergarten orientation is on Tuesday 23 October. We don't want any of our new students to miss out on this important day. Please contact the office for inquiries.

At the beginning of next term, I will be on leave for 3 weeks and Mrs Craig will be the Relieving Principal in my absence. On behalf of the staff at Sandy Beach we wish all our families a safe and enjoyable holiday.

Principal

A massive congratulations to the **5** students whom earned Gold Medallions and received a certificate:

This is a huge achievement! These students needed to earn 150 medal points. There was only **89** gold medallions handed out in NSW with 22,000+ students whom participated all across Australia.

The winning class was 4/5 Gold with final medal points of 530. As a result of all the students in Year 2-6 efforts and hard work our school has received an additional month of free subscription to trial these maths activities.

Book Week Term

This term all classes have been looking at visual literacy and making meaning from all clues given to them in the text and pictures. We have focussed on the picture books that were in the short list competition for Book Week.

This artwork created by a Stage 2 student is based on the book 'The Second Sky' and shows a baby penguin's first view of the world as he emerges from his egg.

The Sydney Harbour Bridge features in Mem Fox's book 'We're Australian Too'. Students from Stage 1 created bridges as part of their visual literacy work.

IMPORTANT

How The Child Care Subsidy (CCS) fortnight fits into this OCTOBER'S Holidays

With the new government CCS cycle parents receive an amount of "Activity" hours each fortnight to use and if they go over these hours full fee is charged. For the October school holidays the CCS

fortnight falls across 2 separate activity periods. WHAT DOES THIS MEAN FOR YOU?

THE GOOD NEWS is that for this holiday period, each week falls into a separate CCS fortnight and will help with not exceeding your activity hours.

THE HOLIDAY ROUND-UP! Guess what!

THE BUSKERS ARE BACK!!! Every spring sees the return of the Buskers to Coffs harbour for our "KIDS DAY SPECTACULAR!" And seeing how it's spring we'd better get SPRING LOADED to have even more fun. We'll also be heading back to one of our favourite places, the BIG BANANA WATER PARK as well as checking out the new births and hatchings at SYNCHRONICITY FARM in the beautiful Orara Valley. All that combined with a new batch of PRACTICAL JOKES AND PRANKS and a MYTHOLOGICAL MONSTER HUNT makes for a whole lot of fun!

Dave's Rave - A "FORTNITE" OF YOUR CHILDS TIME IS A PRICE YOU SHOULDN'T PAY!

As we go to press the Liberal Party has taken a leaf out of the Labor Party's play book and knifed its 2nd Prime minister creating government chaos. As a nation we are fast becoming a Banana Republic, chasing populist ideas and quick fixes, changing direction at the drop of a hat and trying to appease the loudest "whinge" with no thought to long term outcomes. As a generation, we are doing the same! The shifting sands of hollow promises, pandering to egos, taking the easy path and avoiding conflict is a recipe for disaster in life! Always has been, always will be! Good outcomes come from consistency, hard work, sometimes hard yards and unpopular leadership that provide firm foundations. Why am I banging on about this? Because the same formula applies to parenting! You and your children are drowning in a vortex of "technology for technology sake!" It's overload! Screen time has replaced playtime, to be used as both carrot and stick in the teaching of morals and ethics that are derived from Google, Facebook, YouTube, populist opinion and Instagram "nobody/somebody!" Your children need to be children! They do not need to be "connected!" They do not need a phone! They do not need to be constantly visually stimulated and amused by games such as "Fortnite" or the numerous other "adult games in sheep's clothing" that will follow. They are a "methamphetamine" drug destroying a generation of children. It's called "childhood" for a reason and we only get one. PLEASE...lets all work together to give your child the chance to enjoy it as a child!
