Issue 16 October 23, 2019

Hello parents, carers and friends of Sandy Beach Public School,

Welcome back to another busy term!

Last week we welcomed back the return of Mrs Reedy on 2 Red. Mr Holland has continued on 3 Blue and will begin team teaching the class with Miss Riches next week. Ms Williams will continue on as Relieving Assistant Principal on Stage 2.

### **Year 5 Lake Ainsworth Excursion**

A very excited Year 5 departed for Lake Ainsworth on Monday morning, along with Mrs Hagan and Mr Kowald. We have heard that they are having an amazing trip and by the looks of the face book photos lots of fun! The group return this afternoon and I am sure will have fantastic stories of their time away.

### **Galambila Hearing and Eye sight Screening**

Yesterday our Indigenous students had the opportunity to receive hearing and eyesight screening from the Galambila Aboriginal Health Service. Another date will take place next week to complete this screening. We appreciate this valuable service for our school community.

### **Kindergarten 2020 transition 2 and Parent Information session**

We welcome our new Kindergarten students for 2020 for their second transition session tomorrow, Thursday 24<sup>th</sup>, along with all their parents and carers for the Parent Information session in the hall.

### **Road Safety**

Please be mindful that the staff carpark is not a walkway to collect students.

## Skoolbag and Late Explanation

If you are experiencing issues with our skoolbag app or finding that your absence slips are not lodging, you may need to delete and download the latest version of the app.

If your child is late for school please always walk them into the office to explain their absence and sign them in.

## National Water Week and Water Wise performance

This week is National Water Week and considering our current drought conditions, is a very meaningful topic for discussion in our classrooms. The library has a display with resources that our students can access during their library lessons and at lunch times. K-2 also enjoyed a drama/musical performance from the 'Toads' with their valuable Water Wise message. Our next newsletter will be Wednesday 6<sup>th</sup> November.
