Issue 10 June 26, 2019

Hello parents, carers and friends of Sandy Beach Public School,

Hard to believe we are nearly at the end of another term, halfway through the year! Recently I have been browsing through students' writing books and have seen some great development over the past 6 months. One of our school focus areas was to implement a sentence type scope and sequence. Teachers have been explicitly teaching types of sentences which has given students a bank of strategies to improve their writing. Yesterday two students from 2 Red shared their persuasive writing task about recycling. It was very impressive!

Sport News

Last Friday students from Years 3 to 6 participated in the **Northern Beaches Winter Sports Carnival**. Sports played included AFL, netball, Oz Tag and soccer. The purpose of the day is to mix with students from other local public schools in non-competitive games. Thank you to Mr Rayner and Ms Conklin for assisting with the organisation of this day.

Our school **Athletics Carnival** is due to occur next Monday, pending weather conditions. We have now set aside Wednesday 3 July as a back-up date and may have to spread track and field events over a few days if the grounds are not suitable. We will keep you informed on Skoolbag.

Congratulations to 3 students who competed at the **North Coast Cross Country**. Fantastic results were achieved in their respective age races. Will Bennett was placed 14th, Diesel Cheney was placed 10th and Maya Mitchell was placed 2nd. Good luck to Maya who now travels to Eastern Creek next term to participate in the State Cross Country event.

Class Assembly Items

Once a year, each class presents an item at the Friday Stage assembly. Last week K Purple performed the Mexican Hat Dance and spoke about Mexican culture such as the food they eat. The week before 4 Violet recited a poem about cats. I encourage parents to take this opportunity to join our assemblies to see your child up on stage with their peers.

Colourthon Postponed

Due to uncertain weather conditions and with an unanticipated busy Week 10 we have decided to postpone our Colourthon until Friday 2 August. Sorry for the inconvenience however this does allow more time to collect sponsors.

Student Semester Reports

Teachers have been working hard on completing your child's report for Semester One. Our new format has a checklist for English and Mathematics grade content. The teacher comment for these subjects includes a statement of achievement and a goal for future learning. This content will provide specific information regarding achievement at grade level for these Key Learning Areas. Reports will be sent home next Tuesday. Currently Kindergarten is conducting their parent / teacher interviews. Other grades will be notified of dates for this opportunity to discuss your child's progress in due course.

The staff at Sandy Beach wish everyone a safe and happy holiday. Students return to school on Tuesday 23 July for Term 3.

School/ Banking

School Banking is back at Sandy Beach Public School

School Banking is back. School Banking Day will be **Thursday** commencing on **Thursday, 25th July (Term 3)**.

School Banking is a fun, interactive and engaging way for students to learn about money and develop good savings habits. For each weekly deposit made at school, students will receive a silver Dollarmites token. Once they collect 10 tokens, they can redeem them for a School Banking reward.

If your child has previously participated in School Banking, or has an existing Commonwealth Bank Youthsaver account, they can start banking straight away by bringing their Dollarmites deposit wallet to school on School Banking day.

If your child has lost their book, they can bring their money to school in a sealed envelope with a note on School Banking day and we will issue them with a replacement book.

Our School Banking program is made possible because of parent volunteers. Thank you to those volunteers for donating their time to run School Banking for our students.

If you would like to know more about School Banking, please ask for a 2019 School Banking program information pack from the school office or visit commbank.com.au/schoolbanking

COLOURTHON!

Friday 2 AUGUST

Due to the increased number of events in Week 10, we have moved the **COLOURTHON** to **Friday 2 August**. We apologise for any inconvenience this may cause.

POLICE BLITZ ON SCHOOL ZONES

Coffs/Clarence PD, NSW Traffic Highway Command and Coffs Harbour City Council are continuing their patrols and enforcement around School Zones targeting 8am to 9:30am and 2:30pm to 4pm peak times.

Motorists should be aware of hefty fines for offences detected in school zones.

School zones offences attract an increase in the fines and demerit points in an effort to reduce the occurrence of offences.

Motorists are reminded that the speed limit during school zones is 40kph. Don't use your mobile phone whilst driving and ensure you park legally.

Make sure your children and our children arrive safely to school, hold their hand.

Dangerous driving behaviour around schools puts children at risk.

Motorists should also be aware of the annual increase in fines from the 1st July, 2019

(Spending money for \$7 drink & popcorn optional)	TUES 9 JUL IN CENTRE LEGO MASTERS  Today we join part of the world wide obsession that had its humble beginnings over 80 years ago. FRI 12 JUL IN CENTRE WASTE NOT, WANT NOT  Fact :- Trees take CO ₂ (the bad stuff) and use it to make oxygen (the good stuff!) They are the ultimate re-cyclers! Sadly however, the average family home uses 6 full grown trees worth of paper every year. Today we'll teach you ways to turn the "bad stuff" into "good stuff" and have loads of fun in the process!
MON 15 JUL EXCURSION HORSE RIDING VALERY TRAILS  Jump into the saddle for the equestrian equivalent of a great day out at VALERY TRAILS. The busy world of OOSH is a constant rollercoaster of fun and activity as the holidays roll into term time and back into holidays in the blink of an eye. Our Easter holiday program was blessed with beautiful weather in which we had great fun, with the highlights being getting down and dirty on the Commando Course and our Armed Services activities. The results were our beautiful Anzac Day wreaths laid at all the services and the kids enjoying, and benefiting from, a good dose of "old fashioned discipline" from our resident Drill Sergeant in our Marching Parade. (And WOW...didn't I have fun with that! Amazing how it works! Should be more of it!) Our rapidly approaching Winter Holiday program is jam packed with more excitement and fun. To stimulate the mind, it's LEGO MASTER CREATIONS and CREATIVE RECYCLING! For the body it's trampoline fun at SPRING LOADED , challenging nature with MAN vs ANIMAL and taking on all comers in OOSH OF ORIGIN! As for HORSE RIDING , ICE SKATING and the antics of a TOY STORY TRIBUTE , that fits into the category of FUN!			
<p>Dave's Dave - STICKING TO THE BASICS AND GETTING THE JOB DONE!</p> <p>At the time of printing we are all reeling from the information overload of both a State Election, as well as a Federal, occurring one on top of the other within an 8 week period. In what can only be described as desperation politics, all participating parties went to extreme lengths to convince you to trust them, that they know what they're doing and, at times, to buy your votes! As our Childcare world exists in a tangled web of regulatory authority administered by both Federal and State departments, our industry is inevitably used as a political pawn for policies and promises! Whether these are followed or fulfilled is yet to be seen, but from someone who has been in the industry for 35 years, and from the early signs I've seen, I am sceptical. The Federal "pay master," with it's Child Care Subsidy (CCS) system administered and delivered by Centrelink, has major systemic flaws which are not being addressed. The State government is promising to spend millions of dollars to fix "waiting lists" and "access problems to OOSH" for schools. This "Sydney based problem" does not, and has not, existed in our region since 2005. Funnily enough we, at Community OOSH, fixed that problem 15 years ago. Basically, what is not happening, is proper industry consultation, with the right people, who put the best interests of you and your children 1st and politics 2nd! We are hoping, now that the dust is settling, that there will be real progress in delivering functional, workable and viable Childcare that delivers the best for the kids!</p>
